OUR CAPABILITIES

About Us

At Vastram Veda, we specialize in high-volume cloth fabrication backed by craftsmanship, consistency, and scale. With **140+** state-of-the-art machines and a monthly production capacity of **50,000 to 60,000 units**, we are built to deliver quality – fast.

What we do?

We offer end-to-end garment fabrication services – especially **stitching**, finishing and packing. Our focus is on mass production with zero compromise on precision or timelines. Whether you're scaling a fashion label or fulfilling global retail demand, we're your behind-the-scenes production powerhouse.

Quality Control

Quality isn't just a promise – it's a process we live by:

- **Pre-Production QC:** Fabric testing (GSM, shrinkage, colorfastness)
- **In-Line Checks:** Real-time monitoring at every stitch point
- **End-Line Audit:** AQL-based final inspection
- **Client Approvals:** Pre-shipment samples & feedback loops built in

Our QC team is trained to think like your end customer – every piece must pass their scrutiny.
